Re-accreditation of Congruence Training

The Services SETA ETQA (SETQAA) wishes to confirm that Congruence Training has been awarded re-accreditation for the next accreditation cycle i.e. 1 April 2007 -31 March 2010.

The Provisional Accreditation awarded is valid until 31st March 2010, on the condition that areas for remediation, as indicated in your last Monitoring visit report are addressed within the specified time-frames.

SETQAA is currently busy processing all monitoring reports, if you have not yet received your report please be advised that your report will be sent to you in due course.

SETQAA also wishes to remind all our accredited providers that they may only market and advertise programmes for which they are accredited. If providers are found to be marketing and advertising programmes misrepresenting programmes that not yet accredited by SETQAA, providers may be de-accredited.
